1.0 Conditions, Restrictions and Disclaimers

[NECO](#) is provided as a public service by the Naval Supply Systems Command (NAVSUP) procurement automation branch in Mechanicsburg, PA. Its purpose is to provide information that NAVSUP deems relevant to the Department of the Navy community, its industry partners, and the general public.

Use of NECO does not provide access to all Federal, Department of Defense (DoD), or Department of the Navy procurement opportunities. NECO contains a listing of active synopses, Requests for Proposal (RFP) and Requests for Quote (RFQ) made available by the participating sites. See Command/Sites on Registration and Business Opportunities pages. There are presently 118 buy activities. There are presently 30,209 vendors registered in NECO.

The use of the NECO web site to submit a response to an RFQ does not guarantee an award of a Purchase Order or Contract.

Getting Started

NECO is your link to the world of Navy Electronic Business Opportunities. It is the centerpiece of the Navy's strategy to convert to paperless processes in accordance with DoD direction. Navy and Marine solicitations are accessible online for supplies, services and materials. NECO delivers daily emails each morning to inform you of procurement opportunities based on vendor profile. A vendor may submit their bid/quote on line, it is then forwarded to the appropriate buying activity for submission. Awardees are notified via email. The NECO Help Desk (800-503-6326) provides excellent technical and customer support 8am to 5pm daily, Monday through Friday ET. NECO also links to FedBizOpps.

2.1. CCR Vendor Registration

A vendor may search for solicitations on the Business Opportunities page or for a synopsis on the Search Synopsis page without a vendor registration. However, if a vendors wishes to submit a bid for a particular solicitation on NECO, they must first register with NECO to receive a password. A password will be emailed to the vendor upon completion. A vendor must have their DUNS Number and Cage Code in order to register with NECO. See following:

CCR Registration

All Vendors must be registered with CCR (Central Contractor Registration) to be eligible for award of government contract. A DUNS (Data Universal Numbering System) Number is a 9-digit number assigned to Vendors by Dun & Bradstreet. This number is required by CCR, who then issues a CAGE (Commercial and Government Entity) Code (5-digit, alpha-numeric identifier). Both a DUNS and CAGE are required to complete registration with NECO. Register with CCR by clicking the links located on the NECO homepage and Vendor Registration page. Select “Start New Registration”.

3.0 NECO Vendor Registration

NECO Registration

Click “[Register with NECO](#)” on the homepage. Begin with your company/Entity name. As you fill out NECO Vendor registration, remember that asterisks signify required fields. Entry of valid information is vital as it will also appear on the Offeror’s bid.

The screenshot shows a web browser window titled "Trading Partner Registration - Microsoft Internet Explorer". The address bar displays "https://www.neco.navy.mil/secure/register/register.cfm". The page features the NECO logo and a "Register with NECO" link. Below the header, there is a paragraph explaining the registration process and a warning about unauthorized use. A note provides contact information for assistance. A section titled "NECO Vendor Registration" contains a form with various fields, some marked with an asterisk to indicate they are required. The form includes fields for Entity Name, First Name, Last Name, Username, Duns Number, CAGE Code, Employee Total, Address, City, State/Province, Zip Code, Country, Phone 1, Phone 2, E-Mail, Retype E-Mail, and a checkbox for daily e-mail notifications.

3.1. Customized Daily Email

The screenshot shows a web browser window titled "Trading Partner Registration - Microsoft Internet Explorer". The address bar displays "https://www.neco.navy.mil/secure/register/register.cfm". The page content includes a header with instructions: "This form allows you to choose what type of business opportunities you would like to receive. Go to <http://www.dlis.dla.mil/PDFs/h2.pdf> to search for a Federal Stock Code." Below this is a section titled "What are the Most Requested Supply FSC's or Service FSC's ?". The main form is titled "Daily Email Customization" and contains four sections: "Command/Site:", "Federal Stock Code: (Supply)", "Federal Stock Code: (Service)", and "CAGE:". Each section has a "Current Selection:" dropdown menu and a list of options. The "Command/Site:" section lists locations like "M67004 - BLOUNT ISLAND COMMAND". The "Federal Stock Code: (Supply)" section lists various supply categories like "10 - Weapons". The "Federal Stock Code: (Service)" section lists various service categories like "A - Research & Development". The "CAGE:" section has a text input field and a description: "This 5-digit alphanumeric CAGE code is associated with part numbers, not necessarily your CAGE code. Do not use entire part number (ex. 13456,23456,05433)." At the bottom of the form are "Submit" and "Reset" buttons. Below the form is a navigation bar with links: "HOME | REGISTER | SYNOPSIS | BUSINESS OPPORTUNITIES | SUBMIT BID | FEEDBACK" and a secondary bar with "FAQ | LINKS | CLASSIFICATION CODES | ABBREVIATIONS | NUMBERED NOTES | CLAUSES".

Daily Email Customization

When registering with NECO, Vendors may choose to receive Daily Procurement Offerings or notices of solicitations as they are posted to NECO. By default, ALL options are selected under Daily Email Customization. Vendors may choose selected Commands/Sites from which they wish to receive notices. However, it is best for the vendor to select "ALL" Command Sites to receive a wider range of activity Business Opportunities.

FSCs (Federal Supply Codes) reflect services and products which the company provides. (Go to <http://www.dlis.dla.mil/PDFs/h2.pdf> to view a detailed description of 4-digit FSCs). NECO generalizes these by using the FSG, or Federal Supply Group (only the first two digits of FSC). For example, a Vendor selecting 16 – aircraft components and accessories will be notified of all postings within the 1600s (1610, 1615, 1620, etc.). Using your mouse, select your first choice. Then, hold the Ctrl key if you wish to add or remove multiple selections.

CAGE CODE - This entry is for use by manufacturers whose part numbers begin with their CAGE Code. Buyers will sometimes indicate a Vendor's (Seller's) part number.

3.7. NECO Registration Completion

Upon completion of NECO Registration, hit the Submit button. An email will be sent to the vendor with their password.

Multiple company personnel may register under any one cage code to receive the daily procurement offerings. The daily email will be forwarded to the email address on individual registration. This allows for the flexibility of other company personnel to receive and view daily solicitations in the absence of personnel on travel or vacation.

At any time, if the vendor wishes to submit a bid or login into NECO and has forgotten their password, they may email at NECO Support, call the Help Desk for assistance (1 800-503-6326) or click on the registration login message, "Forgot your Password? Click here"

The image shows the NECO Registration and Login interface. At the top, there is a navigation bar with the NECO logo, a "Registration" link, and a "LOGIN" button. Below the navigation bar, there is a "Vendor Login to the NECO System:" section. This section contains two input fields: "UserName:" and "Password:". Below these fields are two buttons: "Login" and "Reset". A red arrow points from the "Forgot Your Password? click here" link to the "Reset" button.

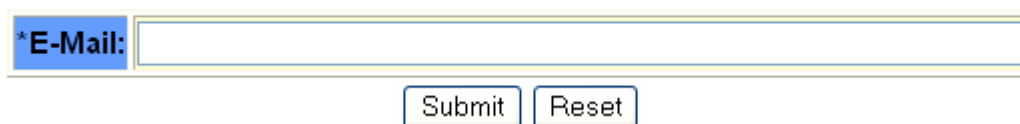

This below pop-up screen will appear, system will generate email to you with your password

- Enter the email address you provided at registration.
- Click the Submit button.
- NECO will match the email address you've entered with the one in your registration.
- Your username and password will be emailed immediately.

Retrieve Your Password

If you have forgotten your password, please enter your Email and we will send you your password via email.

If you have any questions, please contact NECO at 800-503-NECO(6326) or click [NECO Support](#)

The image shows the "Retrieve Your Password" form. It has a label "*E-Mail:" followed by a text input field. Below the input field are two buttons: "Submit" and "Reset".

4.0 Modify Registration

Modify Registration

Vendors may update their company's profile or modify selections for daily emails at any time. Simply click "Modify Registration" on the NECO homepage. You will be asked to enter your username and password.

This feature is nice for vendors that acquire additional line items or merge with another company to modify registrations to reflect those changes in the FSCs. Also, for change of any pertinent company information such as phone, email, address...

When a registration is modified, NECO generates an email similar to the following:

```
Your vendor registration information has been successfully modified on
the Navy Electronic Commerce Online web site (NECO). Please use your
Entity Name and Password, provided below, to login to the NECO offer
submission area.
```

```
UserName:  NECO

```

Below are the selections you made for your customized daily email:

```
Command/Site:  ALL
FSC Supply:    ALL
FSC Service:   D
Description:
CAGE Code:
```

If you wish to modify your registration, go to vendor registration and click on 'modify your record'.

Please do not respond to this message. If you have difficulties or questions, please use the NECO feedback form located at http://www.neco.navy.mil/links/feedback.cfm?subj=NECO_Comment.

*Once again, repeat instructions above if password is forgotten.

Presolicitation Notices are generally posted to notify Commercial Vendors of upcoming business opportunities. While these often include a response date, bid responses may not be submitted electronically (via NECO).

Award Notices may or may not be posted to NECO, it is up to the Buying activity to post award. For information regarding an Award that has not been posted, contact the Buyer listed on the original RFQ to request status.

If you are searching by solicitation number, make sure you are only entering letters/numbers. Do not use hyphens. Awards cannot be found when entering the Award/Contract number in this entry field.

6.4. Business Opportunities Search “No Frames” Solicitations Cont.

Search “No Frames”

Search “No Frames” allows you to view more information before opening the solicitation. Although this search option is only capable of returning a limited number of results, more information on each solicitation is provided ‘at a glance.’

You will see solicitations by number and their associated type, transaction purpose, both the issue and due dates, additional documents, location, and POC (point of contact) phone. Criteria must be selected to minimize the amount of results will be returned. When your search has returned too many results, you will be asked to return to Business Opportunities page and click Search. You may also make selections and attempt to Search again with ‘No Frames.’

To view additional information without leaving this page, hold your cursor/mouse over a solicitation number. A box will display any of the following information: NSNs (National Stock Numbers), Material Code, Shelf-life Code, Shelf-life Action Code, Nomenclature, Vendor (Seller’s) Part Number, Special Material Identification Code, General Description, FSC (Federal Supply Classification), Catalog Number, Standard Industrial Classification Code Material Control Code, and/or Cognizance Symbol.

Click the Solicitation number to view Business Opportunities Detail.

Submit a Bid

Once you've reviewed the entire solicitation and associated documents, click [Submit Bid](#). You may also access Submit a Bid from the Summary or Detail pages. You are required to log in, then enter solicitation number to access Submit a Bid Upload page.

Once again, if you have forgotten your password, click to retrieve.

6.6. Business Opportunities Submit a Bid Definitions Cont.

Submit a Bid

Price Quote No.

This refers to a tracking number the offeror would assign to the quote. This a required field even if the Vendor does not use internal tracking numbers.

Line Items

If you would like to quote only one or some of the line items, be sure to select 'No Quote' from the drop-down menu (next to Unit Price for item you are not quoting). By leaving these entries blank, the offeror is bidding an amount of \$0.00. If your bid confirmation reflects an amount of \$0.00, contact the Buyer to request their acceptance of another bid. Help Desk personnel cannot alter your bid, nor can they view your actual quote submitted.

Delivery Lead Time

Used to indicate the length of the quote acceptance period allowed by the offeror or to specify when the midpoint of the proposed effort will be reached. Quote delivery schedule applies to all of the line items and there will be only one delivery of the total quantity. Use this area when the quote differs from the solicitation requirements or to provide information essential to the quote.

Expiration Time Period

Use the first box to specify a NUMERIC VALUE of quantity which represents the duration of time in which your offer is valid. Then select, from the drop-down list located directly beside the first box, an indicator to describe your numeric value of quantity. The drop-down list represents units of time periods or intervals. Included in the list are selections such as Calendar Days, Month, Weeks, etc... Choose one of these values to describe the numeric value you provided in the first box. These 2 elements are REQUIRED. You will not be able to submit your offer unless you have provided this information.

Expiration Relevant Date

Use this box to cite a date that is relevant to the Expiration Time Period you provided. For example, you may provide a date that is the start date of the cited activity or a date that indicates the final day in which your offer is applicable and valid (offer expiration date). This box is NOT REQUIRED. You may leave it blank. If you do provide a date, please adhere to the following date format: mm/dd/yyyy.

Bid Document

Download document from Solicitation in 'Business Opportunities.'
Complete all required fields.
Save to hard drive.
On 'Submit a Bid Upload' page, click Browse.
Locate file and click Open.

This feature is only capable of uploading a single document. If it is necessary to submit more than one Word document, save the files to a .zip folder and upload the folder. Your bid will be sent to the Buyer via email.

6.7. Business Opportunities Submit a Bid Sample Cont.

Submit a Bid Cont.

If a form is provided, but won't allow you to type in the form (it is locked or password protected) you must print the form, fill it out, and submit via fax or mail. We recommend contacting the Buyer for a fax number or mailing address and inform them you will be sending your proposal, if they are not present on the original Solicitation.

Some documents are protected, only allowing you to provide some of the information. In this case, you are required to print the document/form, complete, and submit via fax, email, or mail. We recommend you contact the Buyer (listed on the original RFQ) and notify them you will be sending. Before doing so be sure to read over the entire solicitation as it may provide acceptable methods of submitting your quote. Faxed copies are not always accepted.

If a form is not provided, but the Submit a Bid page has upload capability, the Vendor must create a document. In addition to information the Buyer is requesting, Vendor should include company name, authorized representative, telephone number and CAGE code.

On Submit a Bid Upload page, there are boxes under Clause References. These entries should be left blank, unless the offeror disagrees with the Clauses.
